By partnering with Berkshire, businesses can make the holidays brighter for children and families in need.

Feel the warmth of giving. A small gift of \$25-per-child can make all the difference this holiday season.

Become a Holiday Angel

Choose your way to get involved:

- Make a donation, and let our holiday elves do the shopping.
- Tell us how many children you would like to adopt. We will give you a list of specific items. Then you and your employees can shop.
- Buy your gifts at smile.amazon.com and ship them to us. For each gift you buy, Amazon will make a donation to Berkshire.
