

# Help Berkshire Make Memories

For young people in foster care, group homes, or community programs, being a child can mean facing an adult world too soon. Often, their childhoods are stolen by abuse, neglect, and instability. Most have never been to summer camp. They struggle to find money for cleats or a clarinet, and a tux or prom gown is out of reach.

**Your donation to Berkshire's Making Memories Fund can change that.**

Making Memories gives a bit of childhood back to youth in our foster care and community programs. From basketball hoops and summer camp fees to prom gowns and concert tickets, your gift makes the memories that make childhood special.

Donate online at [www.berkshirefarm.org/donate](http://www.berkshirefarm.org/donate)
